Nutmeg Home Assistance, LLC

**We care**

**Nutmeg Home Assistance, LLC** is a referral service that provides independent caregivers and housekeepers, who will work directly for you.

We connect experienced care providers and housekeepers with clients who are seeking caregiving or domestic help.

## How it works

- Set up our complimentary, initial in-home interview.
- We meet with you and your family to determine what is best for you or your loved one. We will discuss:
  - Your family's specific needs and expectations
  - Your loved one's daily schedule
  - Rates and payment methods
- We select suitable candidates.
- You meet and interview them.
- You pick the person you like best.
- We follow up with you, by phone, to make sure you're happy with your caregiver or housekeeper.
- You pay a referral fee to us.

For your protection, we perform background checks on each prospective caregiver. All applicants are subject to screening and evaluation including:

-  Multiple interviews
-  Criminal background checks
-  Professional and personal reference checks

Each candidate is carefully selected based on compatibility with a client to ensure the best possible match.

All our caregivers are bonded. You will have the opportunity to interview any candidates we propose to you.

You will be able to choose the person you trust. If the caregiver does not work out we arrange for a replacement, at no additional cost to you. No long-term contract required.
